The **Directors Meeting** will be held on the **Third Thursday, October 21st**, in the EAA Hangar starting at 7:00 pm. All members are welcome to attend.

EAA Chapter 563 September 9th 2010 Chapter Meeting Minutes

Meeting called to order by President Bob Young at 7:04 P.M.

Secretaries Report:

The August Board meeting minutes were read by Secretary Don Wolcott. A motion was made by Jerry Pilon to approve the minutes as read, seconded by Chris Tate and approved by voice vote.

Tech Advisor Report: No Tech Advisor report

Treasurers Report:

Jerry Pilon indicated that a total of \$522 worth of raffle tickets for the pedal car were sold at the Mt Hawley FBO open house. Also total proceeds for the breakfast held the same day amounted to \$215. Also tickets are available for members to take and sell to anyone that would like to have a chance at winning the pedal car.

Old business:

No old business to conduct.

New Business;

A suggestion was made to give a free chapter membership for the rest of 2010 and for 2011 to

Jeff Green for all the help he provided the chapter by providing tables and chairs for breakfast and lunch at the open house as well as his help in promoting the event that was to be the kickoff for Tee It Up For The Troops and the Airport open house.

Jerry Pilon indicated that he would contact Bernardi's about the availability of space for the Chapter Christmas Party.

Ron Wright has asked the Board if he could rent a small part of the hanger to build a plane over the winter. The hanger committee will make there approval and present it to the Board at the next Chapter Board meeting.

Greg Lepine asked whether the Chapter has a mission statement other than what is stated in the Chapter's Charter. There was a consensus agreement that there needs to be further discussion as to what the Chapter wants to do toward further public outreach. Morrie Caudill indicated the he needs Gene Olson's (Airport Director) email address to be able to put him on the newsletter list. It was felt that this would be a good way to keep him informed of what we are doing as a Chapter here at Mt Hawley.

Bob called the meeting adjourned.

Chris Tate indicated that he was unable to acquire a speaker for the meeting but that he had a DVD to play about the history of the Van Nuys airport.

This was very interesting and proved to be very educational about the plights of the small GA airports and how they need to change to survive.

Respectively Submitted
Your Secretary Donald Wolcott

MINUTES OF EAA 563 BOARD MEETING September 16th 2010 at the Chapter Hanger

The meeting was called to order by Chapter President Bob Young at 7:06 pm.

Those in attendance were Bob Young, Kent Lynch, Morrie Caudill, Don Wolcott Sam Sisk and Chris Tate. This constituted a quorum.

Secretary's Report:

The August board meeting minutes were read by Don Wolcott. The minutes were approved as read by voice vote.

Treasure's Report:

Treasure Jerry Pilon was unable to attend but had provided the financial reports to be reviewed. The reports were approved as presented.

Old Business:

After some discussion the board agreed that if possible the Chapter Christmas party would be held on the evening of December the 11th at Bernadi's. Jerry Pilon is supposed to be checking to see if this date is available.

It was also decided that the drawing for the pedal car raffle will be held at the Christmas party and that tickets will be made available to members to sell to others that might want a chance of winning.

New Business:

To follow up on the chapters approval at the regular chapter meeting to give Jeff Green an honorary Chapter membership for 2011 it was decided to see if he could come to a Chapter

meeting in November for the presentation. To facilitate establishing a nominating committee for providing candidates for election at the November meeting, it was decided to ask the following individuals if they would serve on this committee. Dave Cook Dick Barthel Sam Sisk Greg Lepine Phil Jones These nominations need to be completed by and presented at the October Chapter meeting.

The request by Ron Wright to rent part of the hanger for the winter to build a plane was approved with the stipulation the he provide progress reports to the members.

A suggestion was made to provide some form of scholarship to a young person each year for education. It is possible a scholarship could be awarded for attendance to the EAA Young Eagles Summer camp at Oshkosh. Bob and Kent will be attending an EAA sponsored Chapter officers forum in the next two days and will be looking for ideas as to how to best provide and award a scholarship.

The meeting was adjourned at 8:30

Respectively Submitted; Your Secretary Donald Wolcott

WHAT'S HAPPENING IN THE HANGAR

To bring everyone up to date, you may have wondered what was going on with the different airplane in the hangar.

We had a request from Mark Linzenmeyer to hangar his newly acquired Cub look-alike. He joined the Chapter and became the fourth airplane tenant. It was a tight fit, but workable. Marty's C-172 was in Wisconsin most of the time and that helped. Two weeks ago Mark decided to move his plane to the Tri County Airport, so we were back to three tenants for a few weeks.

During the summer the Chapter took on the project of building a GB pedal plane. You have all seen the one I built for my grandson, Kyle, fourteen years ago. That one has been to air shows, open houses, and even was on a float in a Lacon parade. Many, many, young eaglets have flown that pedal plane.

Several Chapter members combined their talents to build the project. Raffle tickets were sold at the Mt. Hawley open house and we have shown a profit already.

The drawing for the GB will be at the Annual Membership Dinner in December. In the meantime you can expect to receive a few raffle tickets in the mail to give you and yours a chance to win. It was mentioned at the meeting that it would not look very good if a Chapter member was to win, so, handle the names on the tickets you sell accordingly.

This week the Chapter has gained another new tenant, Ron Wright, who will be building an Ultralight in the back of the hangar over the winter. The framed fuselage and the wings will arrive this week. Ron will be giving a presentation at one of the winter meetings on his project.

A BIG THANK YOU

FROM GERRY PEACOCK

You may not have known that Gerry was seriously ill several months ago, but he is recovering very nicely. He wishes to thank all the folks who visited in the hospital/rehab, and those that sent cards and well wishes.

Chapter 563 Officers and Directors

Nominations for officers and directors for next year and proceeding as we speak. Don't be shy. Get involved. It's very rewarding to be a part of the planning and execution of a successful Chapter like ours. We are growing and need fresh input from you members to keep it that way. It can't happen without you.
